TRIBESKRAFT

*Crafting Sustainability,
Empowering Communities.*

TribesKraft is a social enterprise working at the intersection of design, sustainability and social impact. We bridge the gap between traditional craftsmanship and modern sustainability. By promoting the rich heritage of rural artisans and communities in India, we offer eco-friendly, thoughtfully designed products.

From sourcing raw materials to delivering high-quality products, we uphold eco-friendly practices across our supply chain. A venture by **Reedkraft and Uphold Earth Pvt. Ltd.** we align our work with the vision of fostering a sustainable way of life through design, innovation, and social impact.

Reedkraft and Uphold Earth Pvt. Ltd. draws on over 15 years of experience in sustainability-focused initiatives, specializing in:

- Sustainable value chain development
- Raw material innovation
- Community-driven projects
- Eco-friendly product design and promotion
- Establishing community-based institutions

Together, we are more than a business—we are a movement for a future where people and the planet thrive in harmony.

Join Us on This Journey

Let's create a world where sustainability and tradition co-exist. Together, we can champion eco-conscious living and support the livelihoods of talented artisans.

Crafting Sustainability, Empowering Communities.
